1. Introduction

KOBI is a community-driven meme project built on the Base Blockchain, centered around a royal Siamese cat from Thailand. KOBI blends storytelling, culture, and relatability to create a strong emotional connection with its community.

Our mission is simple: Make KOBI one of the most beloved cats on Base.

2. The Legend of Kobi

Kobi is a purebred Siamese cat from Thailand, born into an ancient royal bloodline. Although technically a prince, he walks among everyday cats and humans, sharing laughs and struggles.

Kobi believes everyone matters and community comes before crowns.

3. Why Base Blockchain?

KOBI is built on Base because of low fees, fast transactions, and a rapidly growing community.

KOBI aims to become a flagship feline character in this emerging ecosystem.

4. Vision & Goals

Short-Term:

- Establish KOBI as a recognizable meme brand
- Grow community

Long-Term:

- Become one of the most loved meme characters on Base
- Expand story through animations and community content

5. Community First

KOBI is open and inclusive. Community voices matter and future decisions may involve polls, contests, and fan-submitted content.

6. Brand Identity

- 👑 Royal blood
- ❤️ Humbleness
- 🌍 Global friendship
- 😂 Meme culture
- 🚀 Base ecosystem

7. Roadmap (Draft)

Phase 1: Launch & community building

Phase 2: Partnerships & lore expansion

Phase 3: Utility exploration & merch

(Roadmap evolves with community input.)

8. Conclusion

KOBI is more than a meme. He's a royal prince who chose the people.

The throne is empty. KOBI is ready to sit on it.
